

CITYPARK Ljubljana

The leading destination for new retail concepts in Slovenia.

CITYPARK is THE premier shopping destination in the Slovenian capital, attracting visitors from across the country and neighbouring nations. CITYPARK is Slovenia's largest shopping center. With an innovative mix of retail sectors, it focuses on fashion and brings new concepts and brands to Slovenia for the first time. With family-friendly services, numerous leisure activities and a combination of first-class shops, restaurants and cafés, CITYPARK Ljubljana is much more than just a place to shop. In 2019, SES completed the €20 million refurbishment of CITYPARK Ljubljana, centred around the new anchor tenant Primark. Primark thus opened its first store in Slovenia at the shopping center.
