

ARKADIA Domžale

Excellent local amenities in a prime location.

The ARKADIA retail park in Domžale, Slovenia, has been part of the SES Group since summer 2025. With ARKADIA, SES has acquired a property with a well-balanced mix of retail sectors and a total of 19 shops, including anchor tenants such as SPAR, Müller Drogerie, C&A and Deichmann. The region around Domžale is characterised by high purchasing power. Around 140,000 people live within a 15-minute drive of the site. The first retail park in SES's Slovenian portfolio is a prime local retail location with ideal infrastructure and earnings potential.
