

CITYPARK Graz

Shopping with a Cult Status in a Prominent Location

CITYPARK Graz ranks among Austria's most tradition shopping centers. It was first opened in 1971 and continues to be a fixed point in the Graz retail landscape and a visitor magnet in the heart of the city. Since its refurbishment in 2002/2003, the shopping center has boasted a GLA of 40,000 m². Brand shops, food & beverage offers, including a roof terrace with a view of Graz, numerous events, and the CITYPARK gift certificate are particularly attractive for customers.

SES took over center management in 2010 and, in 2013, was commissioned with the refurbishment of the site, which it completed in 2015. The refreshing architectural concept of CITYPARK Graz comprised a new facade, trendy shops, and a revised traffic concept, including adapted parking decks. Modern architecture, combined with a feel-good atmosphere, guarantee an urban shopping experience in the most traditional shopping centers of the Styrian capital.
