

CITYPARK Ljubljana

Premier location for new retail concepts in Slovenia

CITYPARK is THE top shopping destination in the Slovenian capital and attracts visitors from within the country as well as from neighboring countries. CITYPARK is the largest shopping center in Slovenia. With an innovative segment mix, it focuses on fashion and introduces new concepts and labels to Slovenia. CITYPARK Ljubljana is much more than just a place to shop, thanks to its family-friendly services, numerous leisure activities, and a combination of first-class shops, restaurants, and cafés. In 2019, SES completed the 20-million-euro refurbishment of CITYPARK Ljubljana, centering around the mall's new anchor tenant Primark, which opened its first location in Slovenia at the center.
