

EUROPARK Praga

Destinazione per lo shopping in una location commerciale in crescita

EUROPARK Prague is located at a steadily growing retail location in the southeast area of the Czech capital. In addition to its excellent transport links, the shopping center is characterized by its strong family-friendly orientation and is very well anchored in the region. The center was expanded in 2008. The variety of shops, restaurants, and service outlets makes the shopping center special. In addition, extraordinary events and specials make EUROPARK Prague a preferred shopping destination.
