

EUROPARK

THE SOUND OF SUCCESS

AUSTRIA'S NO. 1
IN SALES & SMILES
PER SQM

It is still the home to the worldwide headquarters of **Red Bull**, and companies like **Porsche Holding and SPAR** – Austria's largest private employer and market leader in food retail – direct their international activities from here. The region is a popular hotspot for **winter and summer tourists**, and purchasing power in the federal state of Salzburg is over 9% higher than in the Vienna region.

On top of its **outstanding economic dynamism**, Salzburg is **renowned for its historic grandeur and artistic elegance**, captivating guests with its charm and global cultural appeal. The greatest musical genius of all time, **Wolfgang Amadeus Mozart**, was born here, in a city in which leading artists delight hundreds of thousands of people every year during one of the world's largest cultural events – the '**Salzburg Festival**'.

Based on a true story, the immensely successful, world-famous musical '**The Sound of Music**' was filmed in Salzburg, one of Europe's most beautiful cities. Salzburg could become the home of **your brand's very own success story, too.**
